

My classmate's mind is....

Tree roots coiled around books and other stuff	mo
Slippery like soap	mo
Quicksand	mo
Macramé	mo
Like a briar blowing in the wind	mo
Glider over a landscape	mo
Fuzzy, out of order	mo
Computer media player--you can put lots of things on it and it is visual	mo
A worry-wort	mo
A web with random associations	mo
A tornado, swirling form which out pops stuff	mo
A three dimensional electronic breadboard	mo
A tela novella for foreign audiences	mo
A sunken treasure ship	mo
A novel with lots of characters	mo
A lottery machine, whirring balls	mo
A four year old girl exploring new directions	mo
A dance, constantly moving	mo
A computer program that exists in different states	mo
A collection of wires	mo
Is a result of my brain	fd
Has social and academic compartments, each differently patterned	fd
Controls my feelings movements and brain	fd
Quick with starts and stops and distracted by new things	ds
overwhelmed	ds
Organized	ds
Compartmentalized	ds
clear	ds
Changes with mood	ds
Bored easily	ds

Hayles Keywords:

<i>hybrid,</i>	mo	metaphoric object
